- Staff will wash and sanitise their hands frequently.
- Tables & chairs will be sanitised between customer seating's.
- Reservations are limited to a max of 8 people from no more than two households. Please do not be offended if we ask for clarification of your personal details. We are just keeping in line with the current COVID-19 guidelines.
- Although we are not operating a time limit on tables at this time, we would like to accommodate as many as safely possible so you may be asked to politely vacate your table.
- Cash & cards will be accepted.
- Numbers into our bar & restaurant will be restricted, without a reservation you may have to queue or not gain entry.
- Contact details will be taken on entry and kept securely for 21 days from the date of your reservation and then be deleted.
- Please make a reservation to save disappointment, we have taken every step to ensure government guidelines are implemented.
- You may order at the bar but cannot drink, sit or linger there.
- You can order food and/or drinks at your table and our lovely staff will bring it to you.
- Initially our food menu will be limited.
- New temporary opening hours.

Please bear with us as we get used to this 'new normal!' Changes made still be need to be made as necessary - as time goes on.
